BRONZE MEDALS IN BOOK-SHAPED BOXES.

SIZES

50	781	Book of 40 National Medals from the National Series published in 1820, by James Mudie. All in very fine condition; very rarely offered as a perfect set. Very desirable	25
117	782	The two following Books contain 36 Medals. First Book contains the Cathedrals of St. Paul's, Westminster Abbey, York, Lincoln and Winchester, and thirteen others. The execution of these medals is very superior, and the perspective is truly remarkable. The size of the first twelve is 37, and the remaining six, size 32; in all 18 medals	
117	783	The Second Book contains the Cathedrals of Bonn, Amsterdam, Constantinople, and ten others, size 37; also the five following Medals:	
		Leopold, King of the Belgians, with Inscription	47
		Anniversary of Belgian Liberty. Progress of Peace	47
		Antoine Van Dyck. R. A perfectly wonderful Statue	42
		A Marcellus. R. Le Commerce d'Anvers	38
		Fete Communale De Villvorde	34
		Making altogether 36 Medals in the two Books.	
		These two last lots comprise the finest medals I have ever had the pleasure of offering for public competition.
